Dear Mr. Choice,

Thank you for setting aside some of your valuable news time for the "Power of Prayer" series. The tragedies of September 11 have highlighted the transforming power of prayer for both the situations and the hearts of people.

Our congregation, like so many, sees this time as an opportunity for people to discover or re-discover this gift from God. It is a shame that it takes such horror to remind us of the comfort and empowerment of prayer.

Thank you again. This type of programming makes a difference in our lives.

Sincerely in Christ,

Reverend Alan Van Hooser

Subject: weather watch

Just wanted to let Mark Scirto know that I think his weather alert by phone is a wonderful thing.

Tuesday, when I received the "weather alert" by phone I called my 83 year old Mom to alert her as she was planning to go to a Sunday school luncheon in Palestine that day. I also called the elementary school here in Neches and they had time go gather the children from the playground before the deluge of rain started.

Many thanks for a community service program that benefits so many.

Dear Mr. Boks,

Thank you for the coverage from KLTN of the Auto & Cycle Show fundraiser! The reporters I worked with were so friendly, genuinely interested, & asked such relevant questions that reflected a great awareness of both the event & its purpose. We are so fortunate to have such a community-oriented television station that is genuinely committed to the well-being of its viewers!

My sincerest appreciation,

Thundercall really works. I was awakened at 3AM this morning by the phone ringing and when I answered it was Marrk Scirto telling me that we were under a severe thunder storm warning and dure enough we had one.

I have been picking up limbs today after a lot of wind, hail and buckets of rain.

If it had been a tornado it could have saved our lives. Thanks . I am a believer for sure in your new warning system.

Dear Mr. Streit,

I just wanted to drop you a note and tell you how very much we appreciate your doing that PSA for us.

You cannot imagine how many people have come into the store because they saw the PSA. It has increased not only our customers, but our donations as well. The ReSTORE is a good thing, it serves many purposes, but without exposure getting out the word that we existed was very slow. Your kindness has changed that.

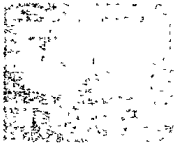

I thank you on behalf of all the families that will enjoy purchasing a Habitat home in the future. For every person that has come into the store because of that PSA another dollar or more has gone toward building another Habitat home.

I personally thank you for helping to make my job easier.

Dear Mr. Boles:

As the 2000-2001 school year is coming to a close, I would like to take this opportunity to congratulate the volunteer efforts of one of your fine employees, Barbara Stewart. As a faithful volunteer since November 8, 1999, she has worked with students at Gary Elementary through *Reaching Out*, a one-on-one mentoring program of Big Brothers Big Sisters of Tyler.

This campus-based program is designed to reach elementary and middle school students in TISD who have been identified as being at-risk for failing a grade or subject, or may become involved with drugs, alcohol or gangs.

Ms. Stewart has given her mentees special attention by helping them with school work, listening to their problems, and taking time to make them feel important. Susie Deason, the school counselor, writes, "Barbara is such a delightful lady. She is a very good role model for our children. She is very dedicated to meeting the needs of our children. We love having her at Gary."

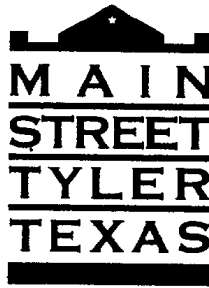

Is there any way that she could be recognized by your station as an employee who goes the extra mile to give of her time to make our community a better place? I know the viewing audience would be pleased to know that a television anchor can not only be an excellent reporter, but a shining role-model in the community, too.

Our Executive Director, Julie Maberry, or I would be glad to answer any questions you may have about our program. You may reach us at the Mental Health Association of Tyler, 113 E. Houston, Tyler, Tx., 75702. Phone: 592-0890 or 592-0582.

Since Heart of Tyler/Main Street houses the geographical and historical center for the city, county and region, it is important to build upon our past successes and invest in the future. We would not be able to accomplish our goals without your generous contribution.

Thank you once again for your support. We look forward to your input and suggestions on our program. Dear Mary & Paula

It was a little over a week ago (actually, it was your ~~first~~ day on the morning show) - when I made a big mistake by blaming you two for what had happened. The day before, you may or may not remember what I said - but I certainly do, and I've ^{thought} later many times since I blurted out "What's happening! When to make me want to crawl under the rug, you two were as pure & polite - oh, how I regretted my outburst! I'm truly sorry, please accept my apologies, and forgive me!

Changes don't come easy for us - senior citizens, but you live with me over before the end of the first show. I really much that - Paula, I've always enjoyed your time on KYYX - would you return your by and Mary, you have much a

Nice, friendly voice - it didn't take me long to get hooked. Welcome to Long Beach!! I'm sorry if I left you with such a bad taste in your mouth - may be other were a bit more kind - again I'm sorry.

Eric missed Ken - hope he is doing something he likes. It wasn't the same without him - and since I'm in all on TV (I come all on the radio @ KYYX), I do hope she can get something lined up soon. Warren will make it one day or another - and I think I'm going home for him,

The morning show is always turned on between 6-7³⁰ - getting out & about during the day I do get a report that off & on - the station's news is good, like the Lake games - in spite of our age, we like to hear how they do -

Please stay where you are - now - I'm really trying to look out for you, that's all. I hope you like it. Sincerely,
M. Warren

Hey, I apologize for upsetting you, that is NEVER our intent on the morning show. I'm sure you work very hard and I certainly don't wish to imply that I know more about construction than the crews do. I'm not certain what we said and which morning you heard. I'll assume it was Monday morning following a trip to Shreveport that I made and Warren also made. We NEVER called construction workers ignorant. I'm sure at least 99% of our audience has been frustrated at road construction at some time in their lives...stopping for 45 minutes to travel a half mile when a lane is closed and no one is working. We try to relate to our listeners and voice frustrations that the majority of them feel as well. Again, our intent was to voice a frustration in life not belittle construction workers. Sorry you were offended.

THE LATEST OF WHICH INSPIRED THIS LETTER. YOU SEE, I HAVE WORKED IN ROAD CONSTRUCTION FOR AS FAR BACK AS I CAN REMEMBER, AND IT HAS BEEN BOTH CHALLENGING AS WELL AS PROFITABLE FOR ME. THE COMMENT BY KEN ABOUT TWO WEEKS AGO, THEN KEN AND DIANE MADE THE SAME COMMENT A FEW DAYS AGO ABOUT THE IGNORANCE OF CONSTRUCTION WORKERS. I BELIEVE DIANE'S COMMENT WAS-"DO ANY OF THESE GUYS KNOW WHAT THEY ARE DOING?"---WELL, HOW MANY ROAD JOBS HAVE THESE GUYS WORKED ON? WOULD THEY KNOW THE DIFFERENCE WHETHER WE KNOW OUR JOB OR NOT? I SAY NO. WHY IS IT WHEN SOME REDNECK GETS A VOICE, THEY THINK THEY KNOW MORE THAN THEIR LISTENERS? 20 YEARS AGO, KEN CURTIS WAS LOADING LUMBER FOR ME AT REYNOLDS LUMBER CO. IS THAT WHERE HE GOT HIS KNOWLEDGE IN THE CONSTRUCTION INDUSTRY? LMAO. PASS THIS ON TO THE POMPUS \$\$\$ FOR ME AND ASK HIM TO COMMENT ON THE AIR IF HE HAS THE KNOWLEDGE TO DO SO.

It's as simple as that. I've got a feeling I'm not the only one. There's a lot of choices for music out there... If I have to change stations often enough, I'll probably just end up changing my presets. It's as easy as pressing a button on my car radio!

They mouth off to europeans and sell more records there and get free publicity doing a USO concert here and all the americans offended by their anti-american blather can just go suck an egg! Well no thanks!

Dear Dianne

Thanks to you and your station, the KIDS FISH DAY at Lake O' the Pines was a great success. More then double the amount of KIDS showed up to fish at Johnson Creek Park on Saturday morning, June 7th, along with their parents, guardians and friends.

The first KIDS FISH DAY was started on October 2, 1999, when 74 KIDS dipped their fishin' lines into Lake O' the Pines for a fun filled day. Some years we've had two events, one in the spring and one in the Fall, but we've decided to concentrate on one in the Spring. We've had an average of 80 plus KIDS, until our current media chairman, "Yeah Buddy Bubba" (Bubba Romine) took the "Fish by the Hook" and drummed up a heap of media exposure for us.

As you know advertising is the name of the game, so we realized that we might get double the KIDS this year. We beefed up our hot dog supply and KIDS gifts and just made it. After all the KIDS and parents ate, we wound up with four hot dogs, ten soda's, and no KID went away without a gift. We figured that we had 170 KIDS, and with their parents, guardians and friends. pushed 450. 161 fish were caught, and that's a lot of fish, along with two turtle's and an old rod & reel. The Big Fish was a catfish weighing 3.66 lbs, and was caught by Angel Carpenter of Longview, and she took home the Big Pot for a total of \$205 and also took home the first prize trophy for her age group 13 to 16. She cried when she got the Big Fish Pot. Trophies were given to 1st, 2nd and 3rd place in five age categories, from 2 to 16 years old. The looks on all their faces as they proudly handed their catch to be weighed and the thanks from their parents made it all worth while. Everybody had a Great time.

Thanks again,

Bubba, the volunteers, all the KIDS, and their parents and guardians

We own 4 cars and all of them are tuned into 105.7, but if you continue to play the Dixie Chicks music we will be forced to change to 101.5 or 93.7. I know that we are just six people, and are not important to a big radio station like yours, but I am sure there are more people that feel the way we do. I am not upset that they do not agree with the President, but I do not think you should disrespect the office or the person in the office the way that they did. Thank you for your time

DEAR CHARLES,

THANKS FOR YOUR EMAIL. YOU HAVE BROUGHT UP A VERY GOOD POINT.

WE AT KIX 105.7 FEEL, AS YOU DO, THAT AMERICANS HAVE THE RIGHT TO THEIR OPINION. THE ISSUE HERE HAS NEVER BEEN WHETHER NATALIE MAINES HAS A RIGHT TO HER OPINION. IT HAS ALWAYS BEEN WHETHER OR NOT THE MAJORITY OF OUR LISTENERS WANT TO HEAR THEM. WE MAKE THIS DECISION DAILY WITH ALL THE MUSIC WE PLAY, NOT JUST THE DIXIE CHICKS. A GOOD EXAMPLE OF THIS IS THE BILLY RAY CYRUS SONG, "ACHY BREAKY HEART." WE PLAYED THAT SONG OVER AND OVER WHEN IT WAS POPULAR, SIMPLY BECAUSE OF THE LISTENERS' DEMAND TO DO SO. WE PULLED THE SONG FOR THE SAME REASON, BECAUSE OF LISTENER DEMAND.

IN MY 25 YEARS IN RADIO, I HAVE NEVER EXPERIENCED ANYTHING QUITE LIKE THE DIXIE CHICKS SITUATION. AN ASTOUNDING NUMBER OF OUR LISTENERS HAVE REGISTERED THEIR OPINIONS ONLINE, BY PHONE CALL, AND IN PERSON. WHAT MAKES OUR COUNTRY GREAT IS OUR RIGHT TO SPEAK FREELY. OUR LISTENERS ARE OUR LIFEBLOOD, AND I TRULY APPRECIATE YOU TAKING THE TIME TO GIVE US YOUR THOUGHTS. WE WILL ANNOUNCE THE RESULTS THIS AFTERNOON AROUND 12.

I have disagreed with the ban from the beginning. Why punish a band for having an opinion? It may have been expressed at an inappropriate time and done in an inappropriate way but the ban is due to the fact that her opinion differs from the opinion of the local majority. Last time I checked free speech did not include unless it offends someone. If you want to ban someone it should be based on the quality of their music.

THANKS FOR YOUR EMAIL.

KYKX IS IN THE BUSINESS OF PLAYING THE MOST POPULAR COUNTRY MUSIC. WE HAVE DONE EXTENSIVE RESEARCH AND HAVE FOUND THAT A MAJORITY OF COUNTRY LISTENERS NATIONWIDE PREFER NOT TO HEAR THE DIXIE CHICKS AT THIS TIME. WE ALSO POLLED OUR LISTENERS, WHO OVERWHELMINGLY STATED THAT THEY DID NOT WANT TO HEAR THE DIXIE CHICKS ON KYKX. WE, TOO, BELIEVE IN FREE SPEECH AND FREEDOM OF CHOICE. WE CHOSE TO PULL THE CHICKS BECAUSE IT IS WHAT MOST OF OUR LISTENERS WANTED. WHEN THAT SITUATION CHANGES, WE WILL CERTAINLY PUT THEM BACK ON THE AIR.

AGAIN, THANKS FOR YOUR COMMENTS.

Warren why are you guys banning the Dixie Chicks? As you know I am a Viet Nam Vet and I feel like they have the right to say anything they would like to say, remember this is a free country, I may not like what they have to say but I have defended that right with my blood and you know that. I remember when KLUE the station before KYKX banned the Beatles ... what a joke that turned out to be. I am not in east Texas now but I did want to let you know how I feel about free speech. If you want to ban someone I would pick Jane Fonda a real traitor.

Best wishes always,

Harley Dilday

Dear Paula,

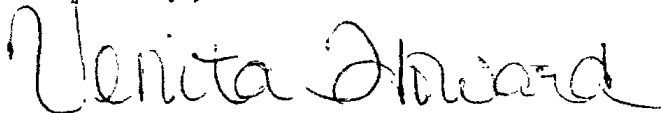

You are being recognized for excellence. The Women's Center of East Texas is recognizing you at the Speak Up. Speak Out. rally **on Tuesday, April 29, 2003, at the Longview Public Library from 6 p.m. – 8 p.m.**

This recognition is to publicly acknowledge your earnest efforts in supporting victims of sexual assault or abuse. Your work and dedication to decrease the negative impact of a victim's experiences is just what we need in our community.

Hopefully, you will be able to attend this event because you are *making hope happen* for our clients. Please invite everyone that you know.
